Sita Ashoka *Saraca ashoka* (Roxb.) Willd.
F-Ceasalpiniaceae

Saraca ashoka commonly known as Sita Ashok or Ashoka tree. The flowers of Ashoka tree is State Flower of Odisha. Handsome evergreen tree with closed leaved crown, feather – compound long leaves. Tender leaves are purple, dropping simply, later shiny dark green colour. The flowers are bright orange-yellow in colour turning red before wilting. Widely grown for ornamental and medicinal purpose. Ashokarishta syrup is made from the bark of the tree. The fruit is long slightly curved tapered on both ends, contains 4-8 black seeds.
